Total Empowerment in 20 Lesson!

The *Women Empowered* program features 20 time-tested techniques that were developed to counter the most common types of assaults on women. The 20 techniques have been strategically divided into 15 one-hour classes. No experience is necessary, and the 20 lessons can be completed in any order.

Reflex Development Class (RD Class)

In RD classes, students who have attended all 15 classes (at least once) will learn how to apply the techniques in combination to develop essential reflexes for self-defense. Those who have not yet attended all 15 classes will spend the class reviewing past techniques.

Log-on & Boost Progress!

As a student of the *Women Empowered* program, you qualify for a free subscription to GracieUniversity.com, so you can watch your lessons from any computer or mobile device. You also get access to our free GymDesk mobile app that allows you to track attendance on your "digital attendance card" and get 60-second class preview videos so you know what you'll be learning in each class! If you have trouble accessing these benefits, please speak to a student services representative.

Pink Belt Qualification Test

Once you have completed all 20 lessons at least four times, and you're confident in the execution of every technique, you qualify to take the Pink Belt Qualification test. To watch a complete demo of the test, please visit the Testing Center at GracieUniversity.com.

Bring a Friend to Class!
