### Street Readiness in 23 Classes!

The 36 techniques in the *Gracie Combatives* program are the most important techniques in all of Gracie Jiu-Jitsu. The 36 techniques have been strategically divided into 23 one-hour classes. Absolutely no experience is necessary to participate in any class, and the 23 classes can be completed in any order.

### Reflex Development Class (RD Class)

Once you have attended each class twice, you qualify to attend the RD Classes. This is where you will learn the advanced combinations that will sharpen your reflexes and boost your confidence to the next level!

### Log-on & Boost Progress!

As a student of the *Gracie Combatives* program, you qualify for a free subscription to GracieUniversity.com, so you can watch your lessons from any computer or mobile device. You also get access to our free GymDesk mobile app that allows you to track attendance on your "digital attendance card" and get 60-second class preview videos so you know what you'll be learning in each class! If you have trouble accessing these benefits, please speak to a student services representative.

### Gracie Combatives Belt Qualification Test

Once you have at least eight months of experience and you've perfected all the techniques, individually and in combination, you can test for your Gracie Combatives belt. To watch a complete demo of the test, please visit the Testing Center at GracieUniversity.com.

### Bring a Friend to Class!

If you love the *Gracie Combatives* classes, invite your friends and family to try one with you. We won't charge them for the class, and we'll make sure they have a great time. If they live within 10 miles of our school, we'll hook you up with a free Gracie t-shirt just for helping us spread the word! See front desk for details.
